LIQUID
WE play SINCE 1994

OUR STORY

WE PLAY SINCE 1994

We play because it's the most important thing, whether it's on or off the hill. It's not about who is the best, it's about who is having the most fun out there.

We believe everybody should be able to play with style and quality outerwear.

LIQUID IS THE

RESULT OF PASSION :

THE PASSION TO PLAY OUTDOORS.

We are proud of our long heritage in the snow industry and continue to hold a strong desire to inspire with innovative designs.

Liquid is the synergy of fashion forward design, creativity and performance. We focus on the fun side of the snow sports industry, delivering a product built to perform - on and off the snow. Though creating authentic products with a true legacy.

Liquid still remains uncomplicated and uncompromising to its original DNA.

OUR VALUES

AUTHENTICITY

We stay true to what we do best; making outerwear to play without any limits.

PASSION

We love what we do. This is why we have the motivation to take those extra steps to achieve great results.

COST-EFFECTIVENESS

Our products provide outstanding quality and value.

RECYCLED MATERIALS

ReboYarn®

REBOYARN® | OEKO-TEX®
ECO-FRIENDLY FABRIC

Recycled bottles transformed into an amazing fiber, used by the world's leading brands to make athletic and fashion apparel and more. Manufactured in environmentally friendly facilities under safe and socially responsible working conditions. The process embeds properties like wicking, adaptive warming and cooling, water repellency, and more at the fiber level. For reliable, durable quality.

sorona®
AURA

DUPONT™ SORONA® ECO-EFFICIENT PERFORMANCE FIBER

BACKCOUNTRY is now insulated with Eco-Friendly Sorona® Polyester (by Dupont™). Manufactured in an environmentally controlled manner, Dupont™ Sorona® is an eco-efficient performance fiber made in part from annually renewable plant based ingredients. Sorona® fiber is a comfort stretch knitwear and woven material with soft, flexible, and stain resistant properties. It's spandex-FREE, yet provides exceptional stretch and recovery even after repeated stretches and washes. Sorona® fibers also provide softness and volume, and are quick to dry - an important feature for outdoor activewear.

LIQUID
WE play SINCE 1994

SUSTAINABLE

SMALL STEPS MAKE A BIG DIFFERENCE

All our BACKCOUNTRY in 3-Layer
100% Recycled Polyester Rebo yarn®
Insulated with 120g Eco-Friendly
Sorona® Polyester
20K Weatherproof
15K Breathability

WE ARE LOOKING BEYOND TECHNICAL & COMFORTABLE

Shop eco-smart. Some of the brands you know and love use 100% Recycled Polyester Rebo yarn® to make products you use every day. We stay true to what we do best; making outerwear to play without any limits.

LET'S DO THIS TOGETHER

Our products provide outstanding quality and value. We love what we do. This is why we have the motivation to take those extra steps to achieve great results.

HEATED JACKETS

LIQUID

WE GIVE YOU THE SIZZLE! NOW, YOU WILL NEVER BE COLD WITH THE **LIQUID HEAT SYSTEM**

Keep warm all winter long with heated our jackets featuring four BACKCOUNTRY styles for men and women. Our heated clothing is designed with you in mind. Each of our heated jackets are made with our premium tier wind & water fabrics, employing Rebo yarn® | Oeko-Tex® Eco-Friendly Fabric, ensuring that it can stand up to anything mother nature decides to throw at you. The heated coats contain a back zone of conductive threading, giving off heat to spread warmth. Each of our heated jackets offer 4 separate levels of heat, ensuring that you're comfortable all day long. Not too cold? No need to turn on the heat, the jackets are warm enough on their own with an insulated layer of Eco-Friendly Sorona® Polyester (Dupont) that will keep you warm, when the HEAT SYSTEM is not in use.

HELLA

THE HEAT SYSTEM

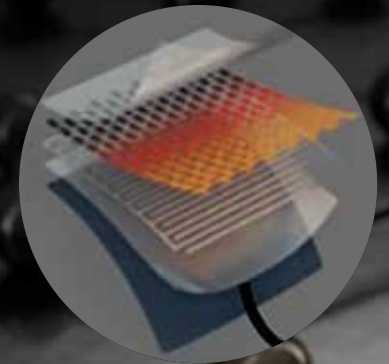

HEATING ELEMENTS

We have hidden the system in the jacket lining at the back, so you can play warm and with style

CREATIVE NANO CARBON TECH

The heart of our system. The advanced conductive thread heating technology is sandwiched between two protective materials and is both washable and safe as per instructed.

PORTABLE BATTERY

Simply plug the USB cable into a portable 5V, phone charger battery.(Battery not supplied).

OPERATION

Control is via a simple button. Temperature is indicated by an integrated LED light that changes colour to preset levels.

53°C / 127° F
Red light indicates highest degree of heat

48°C / 118° F
Purple light indicates third level of heat

43°C / 109° F
Green light indicates second level of heat

38°C / 100° F
White light indicates lowest level of heat

Specs

- 10K Weatherproof
- 5K g/m²/24hr Breathability
- Yarn Dye Fabric: 100% Polyester
- Insulation: 100% Soft Polyester
- Pant: 60gm

Features

- FULLY Seam Sealed
- Lined Waistband
- Reinforced Bottom Hem
- Gaiter with Grip Elastic
- Venting

Take the chill off chairlift rides or extended days outdoors with insulated snow pants. The waist is adjustable with hook and loop tabs for easy customization, and the bottom hem is reinforced so they'll last through seasons to come. The pockets have zippers to keep car keys and coins from falling out, and mesh-lined vents move hot air out without letting snow in.

- Shoulder Straps with Hook & Loop
- Waterproof Zippers
- Lined Waistband
- Reinforced Bottom Hem
- Gaiter with Grip Elastic
- Venting

Stay warm in the backcountry or in-bounds with lined bib snow pants that bring warmth to your kit without adding major bulk. A zippered chest pocket is a safe place for your phone, while you can keep snacks handy in the thigh pocket. The two-way zipper on the left side makes it easy to get in and out of them.

Jeans-style pockets pair with 60g of insulation for snowpants that keep you warm without compromising style. Customize the waistband's fit with adjustable tabs and use the elastic-grip gaiters to keep snow and slush out of your boots. A reinforced ankle hem helps these pants survive seasons of use.
